

How to Order Course Materials

A step by step guide

Go to the College Store, the official bookstore of SUNY
Potsdam: bookstore.potsdam.edu

Read the important dates and ordering procedures!

All materials must be pre-ordered.

Choose whether you want to pick them up at the Store or have them shipped to your home.

Free shipping to the store is available July 19 - August 12.

The College Store will no longer carry textbooks. You MUST pre-order all your textbooks in advance.

The College Store has partnered with MBS Direct to provide a customized online bookstore. This bookstore is built around a course-driven system that ensures you order and receive the right book, right on time. Your textbooks and course materials are shipped directly from a state of the art warehouse that is open 24 hours a day, 5 days a week. Our books are covered by a flexible and concise common sense return policy.

As you purchase course materials, keep your eyes open for Guaranteed Buyback title. When you select these in-demand items, you will see a minimum amount you can expect when you sell your books back to MBS Direct. This lets you take into account the actual cost of owning a Guaranteed Buyback title.

Ordering Your Books:

- Click here: [Order Books](#)
- Select your courses from your academic class schedule
- View your course materials and select your preferred format
- Check Out
- Select Guaranteed Buyback titles and save up to 70% off your course materials

The following items are not available on the MBS Direct web site and must be pre-ordered or purchased in the College Store. Returns on these items must be done at the College Store with your receipt by 4pm on Friday – September 3.

Chemistry Lab Manuals, Biology Lab Manuals, Sheet Music, Oboe Reeds, Magnifiers, Task Stream and Rising Software. If an item you are looking for does not appear as an option to [purchase online](#) that means either the professor has yet to order the item, or it has not yet arrived in the College Store.

Important Deadlines:

- July 19, 2021: Fall textbooks are available to order
- August 12, 2021: Deadline for free shipping of Fall textbooks
- August 25, 2021: Pre-ordered textbooks available for pick up

Our customer contact center is open 24/7 ready to take your order or answer your questions. Call 1-800-325-3252, email customerservice@mbsdirect.net

Payment method:

At this time credit card is the only form of payment accepted. We hope to have Bear Express as a form of payment in the near future. If you are using ACCES-VR, VA, or EOP you will receive an email from BNC Services VB@news.mbsbooks.com with the subject line: you have funds available. This email will give you instructions on how to log in, your voucher number and how to process your order. If you do not receive this email about using our voucher system please contact us at 315-267-2995 lobdelkj@potdam.edu

How to return your textbooks bought for the fall semester:

Customers have 14 days after the class start date or within 21 days of the date materials are shipped, whichever is later to return textbooks. Shipping costs are not refundable, unless through error of MBS Direct. Any original shrink-wrap or bundling must not be opened or removed in order to receive a full refund. You will log into your account (where you ordered your textbooks) and initiate the return. You will be able to print off the form needed to do your return as well as a return shipping label there. The cost of the return shipping will come out of the money your due after the book arrives back to the warehouse.

It's pretty simple – you find a better price on a textbook you bought from us, we pay you the difference.
1. Call us to submit your price match 2. We verify that your book qualifies 3. You receive your price match savings!

What else should I know? Are there any exclusions?
A few. Let's run through the details.

- The Direct Difference Price Match is good on like-condition new or used print textbooks, sold directly by Amazon.com or BN.com.
